John 14:1-4 "Let not your hearts be troubled. Believe in God; believe also in me. In my Father's house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also. And you know the way to where I am going."

“ Though we live in lives full of troubles and dangers caused to us by others, The Lord is always there for us. And he will make us succeed, God never promised us that life would be easy... But what he did promise us is that he would be with us every step of the way into his hands we place our worries cares, and troubles into his wisdom we place our path an direction, and our goal into his love we place our love. I send my condolence to the family of Benjamin Haynes / Bobby my heart has been sadden bobby an I had been best friends since 5th grade we were inseparable no matter were we moved or lived we never lost contact, his voice, his smile, his laughter & big heart will be deeply missed but never forgotten until we meet again . “ *Wish I could of meet u face to face before u left this distrust place called earth. I remember wen me u and mylowe was on the phone and u was telln us about ur big business u had that was about to take off. I guess they took that dream away from u. But u know what god must have a bigger and better project awaiting for u. Enjoy paradise and tell daddy grandma and everybody else we love and miss them. I know its a pleasure to be reunited with ur mom and our dad. Help them look over us and keep us protected. Because as u know these streets aint nothing nice. I hate to have to write instead of call u and tell u how I feel but big bra I love u and until we meet again Mauh R.I.P BENJAMIN LEE HAYNES JR.*
