“ When those that we have known in this life are suddenly no longer with us, it leaves a painful void. But there is a God who is able to touch us in that deepest place and bring comfort. God is our shelter and strength, always ready to help in times of trouble. Bubba you will be missed, but we thank God for the legacy that you leave behind.

*The loss of one whom we have loved for so long is painful. But God has a way of reaching us in our deepest need and feeling the void. He is a present help in time of need. Lean on the everlasting arm of Jesus. joyce-ann hudgies*
