“ One of the nicest things about Frank and I didn't know him very long was that he has a deep and dearing love for God rest in peace my friend

“ I had the pleasure of experiencing the awe of Frank Portillo NYE 2014 while celebrating the new year that included a sleep over for the kids upstairs while the grown folks ate, drank, and danced the night downstairs. It was a special night for me because my daughter was in town and I was able to continue a tradition of sharing my mom's Gumbo NYE / New Years day. . . . boy did we party that night! When we arrived at the Gala there were no more seats available for the four sassy, out spoken women Frank escorted to the ball dressed to the 9 , in 4in pumps and all! Instinctively Frank knew that it was gonna be a problem if we had to stand ALL NITE! Before the sistah / latina came out of any of us girls, Frank had the hotel staff rolling in a banquet table and chairs for our entire group. At that moment I knew he was cut from a different cloth and as the night went on I knew he loved him some Michie, and his family! Thanks for the memories Portillo family. ..you are in our thoughts and prayers. ..Love Trisztette " Tea " and Jameka " Meka " .

“ Uncle Frank you were more than an uncle you were like a father to the whole entire family. It was a real shock to hear what had just happened just hours after your birthday. It just happened so fast and sudden. I saw you one week before you left to be with God. I miss you so much. It is still hard to mourn you when it's still such a surprise. You told me the last time we talked. I should always think God for everything the good the bad and everything in between and that God would always be by my side no matter where I was. Now I will rely on my dreams and those special memories and talks we used to have that would always bring a smile to my face. If I could only have you back so that we could have those talks that we used to have when ever I was down. Uncle you always meant so very much to me and you always will. The fact that you're no longer here will always cause me pain but you will forever be in my heart till we meet again. I love you uncle. Thank you Jesus for the time that I got to spend with my Uncle Frank.

“ I remember Frank went on a fundraising trip to central city. He won a chance to go in the money machine. He was grabbing dollars like crazy. We were laughing but he made at least a few hundred dollars.
