“*She took me in and loved me like her own. I could never repay the type of kindness, love, care, and nurture she has shown me. She has also shown me how to love, to love properly, and unconditionally. I see her smiling, laughing and giving me encouragement. I love you Momma Haynes.*”

“ Wow.... My heart is Heavy... Mom is gone... I have been crying since I got the news... Ashely is devastated... Her Grandma... Her shoppin' partner... the voice that called her almost daily checking up on her... We are absolutely torn. She was Grandma to all of my daughters and she did not treat them any different. She loved them just as much... Mom My love for you was a daughter/ mother love. You never tried to take my mother's place... you just added more love and I will always cherish it... Ashely... you never forgot about her... always stepped in and took care of her needs... no matter what was needed... you provided... It is going to be rough for Ashely... she knows you are in a better place but our hearts is a quite bit selfish at the moment because we want you here... your laughter... we can still hear it... My God please keep Ashely in perfect peace and give me strength to comfort her during this time as I grieve as well. Mom you will ALWAYS be around because you will ALWAYS be in our hearts. If I can ask you to do me a big favor... Please give God a BIG HUG for me! Love You Forever!

P.S.... Ashely said... "I DIDN'T GET TO SAY GOOD BYE AND I LOVE YOU... ONE DAY I WILL GET TO SEE YOU AGAIN!"
