

## Mrs. Martina Seferina Cordova

March 9, 1932 - September 23, 2015

It is with profound sadness and great joy that we announce the passing of our Mother, Grandmother, Sister and Friend. she transitioned on September 23, 2015 quietly and peacefully in her home from this life into eternal life. Mom's unconditional love and nurturing could not be surpassed and her belief in God and prayer knew no bounds. Our mother instilled her belief in her faith and wove it into our daily lives. Sharon, Mike, Kathleen, John, Mark, Angela, Mary, Patrick, Andrew and Carla have been blessed with the most gracious, loving, and nurturing mother that God could ever give to a child. To be absent from the body is to be present with the Lord.

“ I am so sorry for your loss. May the promises found in God's word the Bible comfort your hearts at this difficult time. At John5:28-29 it is promised "...the hour is coming in which all those in the memorial tombs will hear his voice and come out..." and at Psalms 37:11 it is promised "the meek shall possess the earth, and they will find exquisite delight in abundance of peace." These promises are assured by God's love for us. May his mercy be upon your family.

“ Blessings to my mother, she was bright, humble, beautiful and filled with grace and patience. So many words we shared, so many cups of coffee, so many moments.....She was so loved by her parents, brothers, sisters, children, grandchildren, friends and extended relatives. She was loyal with her listening ear, she was firm in her beliefs and advice, but soft in judgement. She found a way to privately express her thoughts and explanations to give the personal touch to her message. She gave and gave and gave to her children and lived her life through theirs and this was her piece of happiness! As her seventh child, was fortunate to be surrounded by all her story telling when we were young; even our friends begged to spend the night so they could over and over here here beautiful stories! We knew how to be homemakers, nurtures, workers, caretakers and do gods work because she taught us. Our journey from poverty was bound by belief, prayers and hope as we struggled with many trials as most families; but my moms legacy to me will always be....Life is surely a journey of unknown, but has it's beauty wheather easy or hard! RIP At peace, no suffering, no pain...in God's hands with our love!
