

Minister Terry Lynn Lee

February 16, 1964 - August 29, 2017

It is with profound sadness that we announce the transition of our beloved Mother, Grandmother, Sister, Aunt, Cousin, and Friend, the honorable Minister Terry Lynn Lee. As a true prophet of the lord, Minister Lee kept Jesus in her heart. And, now she is in God's presence. To be absent from the body is to be present with the Lord, and we are confident Minister Lee is now experiencing eternal Life. Minister Lee was born February 16, 1964. She was surrounded by her beautiful family on August 29, 2017, when God, in his infinite wisdom, called his beloved servant home.

Those left to cherish Minister Lee include her daughters: Dionne Casimir of Chantilly, Virginia and Kiana Lee of Denver, Colorado. Her sons: Jeremy Lee of Lakeville Florida, Joshua and Torey Lee, of Denver, Colorado. She leaves three beautiful grandchildren: Javion Lee, Zahnye Casimir, and Kingston Casimir. Son-In-Law Garvin Casimir. Minister Lee leaves her siblings: Janet Mayfield, Jerry Lee, George Lee, and Jimmy Lee, as well as a host of nieces, nephews, aunts, uncles, cousins, Sister-In-Laws; Allie, Dee, and Nell Lee The Unity Church of God in Christ family, and the Now Faith Christian Center Church. Minister Lee will be truly missed but forever loved. She is preceded in death by her parents; George Lee, and Hattie and WP Thompson.

Her contributions to God, family, and community, will forever be etched in our hearts as a prime example of how we should we walk in this life as a servant of God. Minister Lee's many affiliations include: Regis University; Founder of the local chapter of the National Black Nurses Association (NBNA-Mile High Chapter), Eastern Colorado Council of Black Nurses, Sigma Theta Tau Honor Society of Nursing, the National Association for the Advancement of Colored People (NAACP), and the Phenomenal Women of Colorado.

PLEASE TAKE NOTE: The family will receive family and friends in the fellowship hall of Odom Memorial Church Of God In Christ for dinner and fellowship immediately following the interment.

“ Terry was an inspiration to all of us at Regis. She exemplified what we all believe in and was an exceptional colleague and friend. Terry and I spent valued time together supporting each other through our journeys. No matter what the issue was, Terry was determined to overcome any obstacles with love and grace. She worked hard to continue teaching, complete her doctoral program and she formed the Mile High Black Nurse Association here in Denver. What was most important to her was her family especially her children and grandchildren. Throughout our conversations, family definitely provided her with strength and serenity. She loved each of you with all of her heart and was proud of each of you. I will cherish my friendship with Terry and the inspiration of her words.

“ Terry was such an inspirational person. I so enjoyed working with her as a colleague. She shared with me how important education was and I was continually amazed at how she pushed herself in the doctoral program while she was ill. But most of all, it was her family she talked about when we were together. She so loved you all and you were in her heart every day. Terry will be missed.”
