“Wow!!! It saddens my heart to hear that Zelda has left us. She was on that always showed love and respect to me. Momma I'm praying for you that our Lord will comfort you like never before. I can imagine the pain and sorrow you must be feeling with the loss of your daughters. To God be the glory!!! There is a praised to be raised and delivered. I will continually keep praying for your head to be lifted. Who is this King of Glory, the Lord our God is the King of Glory!!! I love you momma and will never forget you...when I say momma I mean Momma Loise!
